## FOR IMMEDIATE RELEASE

# American Gemological Laboratories (AGL) To Conduct On-Site Testing at the AGTA GemFair Tucson, Arizona

**12 January 2011: NEW YORK** – American Gemological Laboratories will be performing on-site testing of colored stones for Identification, Enhancement and Origin reports from the 1<sup>st</sup> to the 6<sup>th</sup> of February 2011.

As part of AGL's outreach program to support national and international clients, staff members will be available to provide the same high-quality reporting services that are a staple of our New York based operations.

## REPORTS WILL BE PRINTED ON-SITE

**AGTA Convention Center: Main Hall  
Booth #23 and the Agate Suite**

**Active AGTA Members will receive a 10% discount on Prestige Level Reports.**

We will be accepting stones for analyses on a first-come, first-served basis, so we encourage those interested to make an appointment or stop by the booth. Our contact details are as follows:
